

*Making a Difference*

**2018 Frio County**

**AgriLife Extension**

**Highlights**

## **2018 Frio County AgriLife Extension Highlights**

### **MISSION**

To provide quality, relevant outreach and continuing education programs and service to the people of Texas.

### **SCOPE**

Texas A&M AgriLife Extension is a member of the Texas A&M University System. Extension, with some 950 professional educators located at Texas A&M University and at 12 district and 250 county offices, operates in a unique partnership with federal, state, and county government to address the needs for people in every community. Extension provides education in food and fiber systems, environment and natural resources, family and consumer sciences, 4-H and youth development, and community and economic development.

### **GOALS**

#### **Extension's Four State Goals Are:**

- Educate Texans to improve their health, safety, productivity, and well-being.
- Educate citizens to improve their stewardship of the environment and Texas' natural resources.
- Educate Texans to make decisions that contribute to their economic security and to the state's economic propriety.
- Foster the development of responsible, productive, and self-motivated youth and adults.
